T O W N S H I P

**DEPARTMENT OF PUBLIC WORKS**

Voorhees Township has adopted single stream recycling where paper, cardboard, bottles, cans and plastics are placed together in the Township supplied recycling container. We recycle items with the numbers 1, 2, 4, 5 and 7 located in the recycling icon. Should you have any questions please contact the Voorhees Township Public Works at 856-428-5499.

**PETE**

Poly(ethylene terephthalate): Soda bottles, water bottles, vinegar bottles, medicine containers, backing for photograph film

**HDPE**

High-density Polyethylene: Containers for: laundry/dish detergent, fabric softeners, bleach, milk, shampoo, conditioner, and various toys

**LDPE**

Low-density Polyethylene: Wrapping films, grocery bags, and sandwich bags

**PP**

Polypropylene: Tupperware®, syrup bottles and yogurt tubs

**OTHER**

The hotdog of plastics! Products labeled as "other" are made of any combination of plastics
