The soccer fields for K-2<sup>nd</sup> grade are in very poor condition. Two thousand kids are playing on these fields. Other towns have nicer fields. The fields are owned by the Board of Education but maintained by Voorhees Township. What are the plans to fix these fields?

Mr. Ravitz: I recently made an appointment to meet with The Board of Education and have them come up with a prioritizing list of what needs to be done, when and how.

Ms. Nocito: Have you addressed the VSA? Yes, he agreed that the field conditions are poor. She asked if there is any other land available?

Mr. Friedman: We are talking to the right crowd and have a receptive audience. Money has been proposed for this area.

Ms. Nocito: Reach out to us with your contact info so we can keep in touch

Mr. Long: Committeewoman Nocito asked me to reach out to the Board of Education Solicitor regarding this matter. She also asked about how to get sponsorship signs like other towns?

Mr. Ravitz: We need to get more people involved. We are very committed.
