COMMENTS FROM COMMITTEE
Mr. Platt and other committeemen wished Mr. Spellman a Happy Birthday

COMMENTS FROM THE PUBLIC
Greg Wolfe
12 Alluvium Lakes Drive

Mr. Wolfe spoke in reference to the continuing problem with splatter dock that are over grown and causing a hindrance to the fish and wildlife that habitat in Sunshine Lake located in the Alluvium Woods development. The residents in attendance would like it addressed and would also like to know if there is an entity responsible for maintaining this lake. Mr. DiNatale asked if the lake is owned by the association. Mr. Long said he and the committee are looking into this problem and have already contacted the attorney that represents the condo association. He also added that we start the process of obtaining the planning records from the archives to help identify ownership and any maintenance requirements.

Mr. Wolf also wanted to know who owns Mr. Cohen’s property. He also questioned the status of the property and if it is currently owned by Voorhees Township. Mr. Wolf stated it has been vacant for many years and is now in disrepair. Mr. Long stated, he will research and identify which company currently holds this property. He added that the township razed the home and placed a lien on the property for that cost. Any homeowners should contact Mr. Spellman in the future for information on these issues.
