COMMENTS FROM COMMITTEE – No one spoke
COMMENTS FROM THE PUBLIC –

Linda Heaton
1009 Mercer Avenue

Ms. Heaton addressed Township Committee with concerns of speeding along through the curve on Mercer Avenue. She spoke of speeding cars and incidents of cars ending up on her front lawn because they were going too fast. She stated that the police had been out to her house the previous weekend to ask her to move her truck off the street. She explained to the officer that she parks it there to force drivers to slow down. She added that the traffic is heaviest during morning and late afternoon rush hours with drivers cutting through Mercer Avenue to avoid the light at Somerdale and Rt. 561. She is asking for a speed hump or stop signs along all of the side streets along Mercer Avenue. She feels stop signs would force the drivers to slow down. Township Committee sympathized with her regarding her concerns and agreed that something should be done. They directed her to Chief Lou Bordi to discuss what can be done to help alleviate the problem and prevent someone from getting hurt.
