Extension of previous approvals.  
ZC2016-004

On behalf of Safety in Groups, Inc. Mr. Goldstein, Esq. requests an extension until June 30, 2017. The current approvals they received were extended by the Permanent Extension Act through to June 30, 2016. Mr. Goldstein explains that there have been no changes made to the application. The applicant did however run into planning delays due to the sudden death of (2) of their largest donors/supporters of the project, as well as lack of clarity by the New Jersey Department of Developmental Disabilities in regards to funding for the facility.

Mr. Senges then opens the meeting to the Public. Seeing no Public comment, the Public Portion is closed.

Mr. Cupersmith makes a motion to approve the extension until June 30, 2017. Mr. Quraishi seconds the motion.

Ayes: Mr. Cohen, Mr. Willard, Mr. Daddario, Mr. Quraishi, Mr. Patton, Mr. Cupersmith and Mr. Senges  
Nays: None

Seeing no further business Mr. Cupersmith makes a motion to adjourn; seconded by Mr. Cohen.
